Write Your Novel from the Middle James Scott Bell, 2014-03-15 A powerful secret and a fresh approach to writing bestselling fiction! What's the best way to write a next level novel? Some writers start at the beginning and let the story unfold without a plan. They are called pantsers, because they write by the seat of the pants. Other writers plan and outline and know the ending before they start. These are the plotters. The two sides never seem to agree with each other on the best approach. But what if it's not the beginning or the end that is the key to a successful book? What if, amazing as it may seem, the place to begin writing your novel is in the very middle of the story? According to #1 bestselling writing teacher James Scott Bell, that's exactly where you'll find your story's heart and heat. Bell's Mirror Moment is the secret, and its power is available to any writer, at any stage of the writing process. Bringing together years of craft study and personal discovery, Bell presents a truly unique approach to writing a novel, one that will stand the test of time and serve you all your writing life. I need three things before I tackle a new novel: Diet Coke, a laptop, and my dog-eared copies of James Scott Bell's books on writing craft!- Kami Garcia, #1 NYT Times & International Bestselling author

Writing Unforgettable Characters James Scott Bell, 2020-08-17 What will take your fiction from good to great? From decent to dazzling? From lackluster to blockbuster? Characters who jump off the page. Of course plot matters. So does conflict, and scenes, and every other aspect of the fiction craft. But without unforgettable characters, your books will always be less than they could be. Don't let that happen. In WRITING UNFORGETTABLE CHARACTERS you'll learn: -How to lay the foundation for a memorable character -How to bond the reader with the main character from the start -The super power of unpredictability -The secrets of grit, wit, and moxie -How to bring your character to life on the page-How and when to reveal backstory -All about arcs and what they truly mean -The key to unforgettable villains-How to make minor characters

memorable, too -How to create a great series character And more, PLUS the powerful exercises James Scott Bell has taught in his sold-out writing workshops. No more flat stories! Give your readers what will turn them into career-long fans-characters who jump off the page.

Super Structure James Scott Bell,2015-02-13 Story loves structure...and so do readers! Super Structure represents over two decades of research on what makes a novel or screenplay entertaining, commercial, original, and irresistible. Contrary to what some may think, structure is not a nasty inhibitor of creativity. Quite the opposite. Properly understood and utilized, structure is what translates story into a form readers are wired to receive it. And it is only when readers truly connect with your story that they turn from casual readers into fans. The material in this book greatly expands upon the chapter on structure in *Write Your Novel From the Middle*. Super Structure can be considered a companion to that book, but it also stands alone in its treatment of the elements of a solid and pleasing plot. Here's more good news: Super Structure will work for any type of writer--those who like to outline, those who just fly by the seat of the pants, and those who do a little of both. That's because Super Structure stresses the concept of signpost scenes. There are fourteen signpost scenes, or beats, that can be used to create an entire plot, the skeleton of an idea, or a map to help you figure out what to write next. Every signpost is given its own chapter and explanation, along with a section called Helpful Hints for Plotters and Pantsers, showing you how to apply what you've learned and adapt it to your own style of writing. Never write a weak novel or screenplay again. Super Structure is a proven foundation that never fails. It frees you to add your original voice and vision, all of which adds up to bestselling fiction and hit screenplays. I need three things before I tackle a new novel: Diet Coke, a laptop, and my dog-eared copies of James Scott Bell's books on writing craft!- Kami Garcia, #1 NY Times & International Bestselling author

experience in readers. The Emotional Craft of Fiction shows you how to make that happen.

The Quincunx Charles Palliser,1990-11-27 An extraordinary modern novel in the Victorian tradition, Charles Palliser has created something extraordinary—a plot within a plot within a plot of family secrets, mysterious clues, low-born birth, high-reaching immorality, and, always, always the fog-enshrouded, enigmatic character of 19th century—London itself. “So compulsively absorbing that reality disappears . . . One is swept along by those enduring emotions that defy modern art and a random universe: hunger for revenge, longing for justice and the fantasy secretly entertained by most people that the bad will be punished and the good rewarded.”—The New York Times “A virtuoso achievement . . . It is an epic, a tour de force, a staggeringly complex and tantalizingly layered tale that will keep readers engrossed in days. . . . The Quincunx will not disappoint you. It is, quite simply, superb.”—Chicago Sun-Times “A bold and vivid tale that invites the reader to get lost in the intoxicating rhythms of another world. And the invitation is irresistible.”—San Francisco Chronicle “A remarkable book . . . In mood, color, atmosphere and characters, this is Charles Dickens reincarnated . . . It is an immersing experience.”—Los Angeles Times Book Review “To read the first pages is to be trapped for seven-hundred odd more: you cannot stop turning them.”—The New Yorker “Few books, at most a dozen or two in a lifetime, affect us this way. . . . For sheer intricacy and ingenuity, for skill and clarity of storytelling, it is the kind of book readers wait for, a book to get lost in.”—The Philadelphia Inquirer
